BASIC DESIGN

Most basic websites take roughly 10 hours, including an initial phone call and follow-up walk through of finished site.

A "basic" website has 2-3 pages, no e-commerce, no memberships, logins, etc.

AREN'T SURE?

Know you need a website, but aren't sure where to begin? I am happy to schedule a free 20 minute consultation to see what your goals are and what I think you may need design wise.

For a more in-depth consultation, we can set aside a full hour for $100 to really dive in deep and discover exactly what you will need too bring your vision to life.
